MEMORANDUM FOR: Chief, Technical Accounting Staff

SUBJECT : Civilian Clothing Allowance

REFERENCE : Memorandum for the DD/S from Chief, Mobilization
and Military Personnel Division, dated 11 December 1962,
Same Subject

1. Attached is a copy of reference which was approved by the DD/S authorizing enlisted personnel a clothing allowance of \$200 assigned to a one-season area and \$300 for personnel assigned to two-season areas.

2. It is assumed that this approval would pertain to all future clothing allowances and is not limited to the specific 25 enlisted personnel referred to in paragraph 2. Inasmuch as our regulations are inconsistent and/or silent on the subject, it is requested that action be taken to modify our regulations consistent with the above. It is to be noted that paragraph 3d indicates that CIA allowances are \$100, except that where military rates are higher the military rate will be paid. This reference is taken from the Letters of Authorization utilized in setting forth the entitlements of military personnel when detailed to the Agency.
